RANGER

One of the greatest honors I have received during my school years is that of being president of Student Council.

I wish to thank the student body, and fellow council members for the cooperation that was received this year in our projects and goals.

Congratulations to the Ranger Staff '59.

Good luck to the students of P. H. S.

Sincerely,

Charles Lovest

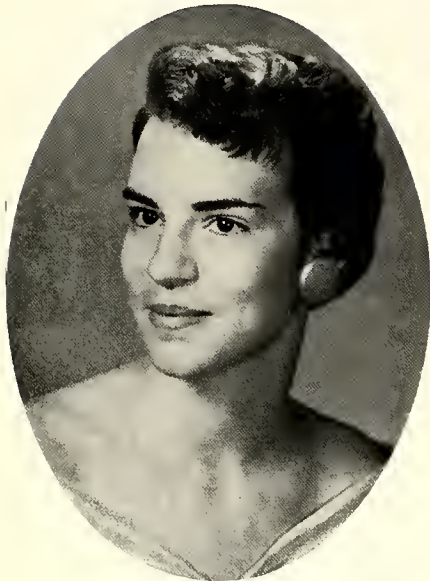

Editing the '59 Ranger has been a privilege and great honor. I shall cherish it always. It brings back the hard work and hours spent to bring you an annual with which you can remember your school days. I wish to extend my gratitude and sincere thanks to the Trurman's for making the pictures, to Mr. Paul Ruth, our advisor, to Mr. Mize and the School Board for their support, to my assistant editor, Pat Haywood and the rest of the publications staff and to Janie Putman McLean, our artist, a heartfelt thank you for a difficult job, well done. Though I won't be with you in the coming years, my sincere thoughts will be with PHS in the past and the PHS of the future.

IN MEMORIAM

JAMES PETERSON
1915-1958

Men like James "Pete" Peterson are a rarity and it is fortunate that Perryton, and the teaching profession should be the recipient of his talents. All of us; students, teachers, and private citizens were influenced by the tall-man of the playing field and the classroom. Coach Pete never failed to have a kind word for each student as he hurried to the classroom or a comradely swat on the game-pants of an athlete being sent in to plug a gap during a crucial game.

We will always remember Coach Pete as a fundamentalist who worked from the roots of a problem to a complete understanding of everyone involved.

Coupled with his other talents was that friendly grin, Mississippi - flavored humor and a dedicated sense of responsibility to the students of Perryton High School.

Although James Peterson is dead, his work with the young people of this community will be remembered as long as there is a Perryton High School. One can never forget the man who lived by his book of rules and expected those who worked for and with him to live by the book too.

It is in the memory of Coach James "Pete" Peterson that the staff of the 1959 Ranger, for the student body of all Perryton Schools, dedicate this Annual.

BOARD OF EDUCATION

This has been one of the best years in the history of Perryton High School, and I am deeply appreciative of those who have made it so, the students and faculty. It is my earnest hope, that in the years ahead, you maintain that same desire to attain your goals, the same spirit of cooperation and concern for others, and the same high ideals that have been yours this year. May you never be content to offer to the world less than your best.

Gilbert Mize
Supt.

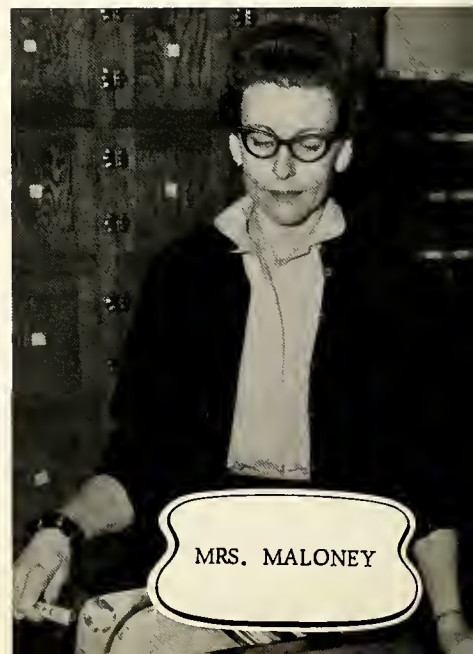

In the years to come I hope that you will remember the many happy experiences you had at Perryton High School. I feel that due to the wonderful cooperation of both students and teachers that we have had a wonderful school year.

Best wishes and may the future bring success to each of you.

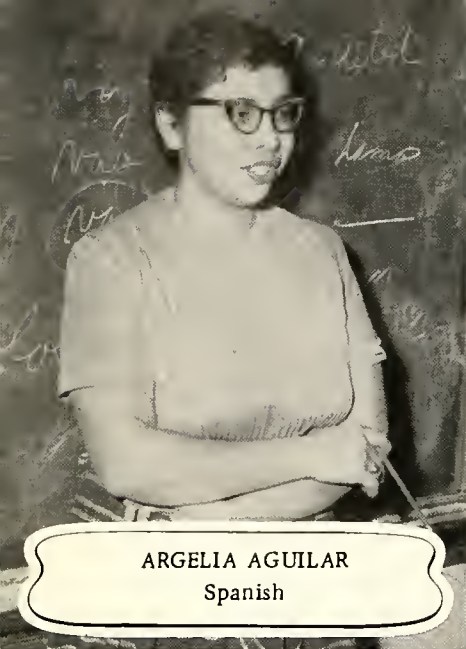

Sincerely,

George J. Zoller

HOMECOMING . . . 1958

Coronation of the Perryton High School football queen was the highlight of half-time activities at the Wellington game in November. Identity of the queen, Miss Alta Johnson, was kept secret until her crowning by captain Brook Baker.

After receiving the traditional kiss, the queen sat on the sidelines with her court, consisting of Connie LaMaster, Betty Mayhan, Sara Mize, and Kay Thurman.

BETTY MAYHAN

KENNY JONES

MR. AND MISS F.T.A.

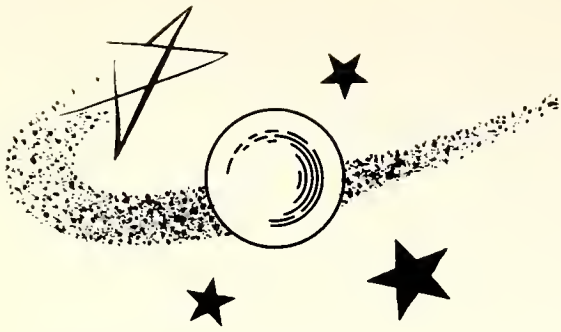

Mr. and Miss Future Teachers of America were crowned at the Annual Valentine's Day Ball.

After spirited balloting Betty Mayhan and Ken Jones were chosen as the Royal couple from a membership of over forty students. They were crowned by preceding president, Gary Cook.

We in Junior High School strive to meet the needs of the students, and to provide an opportunity for them to determine their aptitude and interests.

Our main objective is to continue the learning of the fundamental skills so the students will be better prepared for High School.

ELEMENTARY

Ray L. Wilbur once said, "The potential of a child is the most intriguing in all creation." Our task here in Elementary School is to try to develop the greatest potential from each of you.

We hope that someday you will remember these early school days as the happiest years of your lives. It has been a pleasure to work and play with you this year.

Sincerely,
